

Did you know.....

The City of Delta, Animal Control Regulation 6.04.100(a) Cruelty to Animals states:

“It shall be unlawful for any person owning or having custody of any animal to fail to provide any animal with adequate food, water, shelter, and veterinary care when reasonable required.”

It is getting cold outside and you need to make sure that your pets are properly protected from the cold wintery weather. Proper shelter ensures that your pets are warm and healthy this winter. Food and water are equally as important. Please be a responsible pet owner.
